PUBLIC NOTICE

NEWPORT URBAN RENEWAL INFORMATIONAL MEETING

Date: July 27, 2015

Time: 6:00 to 7:30pm

Location: Newport City Hall (169 SW Coast Highway)

The City of Newport and Newport Urban Renewal Advisory Committee invite you to attend an informational meeting to learn about a plan that is being developed to establish two new urban renewal districts in Newport. If the plans are adopted, then a portion of the taxes paid by property owners in the area will be invested in infrastructure and related projects to improve the areas overall economic health. No new taxes are proposed. Funding for urban renewal would be taken out of taxes that are already being paid to the various taxing entities in Lincoln County.

This is an excellent opportunity for you to learn about urban renewal and how the planned investments could impact your property and the community as a whole. The meeting will include a presentation covering key urban renewal concepts and there will be maps of the proposed plan areas and conceptual project lists available for public review. Folks will be able to ask questions of city staff and its consultants and information will be available about future public meeting and hearings that will be held as part of the decision making process.

For those that cannot attend, the meeting materials will be posted on the city website: <http://newportoregon.gov/citygov/comm/ura.asp>

For additional information, please contact Derrick Tokos, Community Development Director, at 541-574-0626 or d.tokos@newportoregon.gov.
